

Truly My Private Spa
The Opening of SPA PRIVATA at ACTS Rednaxela, Hong Kong

Hong Kong, 27 October 2011 – Located on the Mezzanine Floor of **ACTS Rednaxela, Hong Kong**, **SPA Privata** is a spacious private couple's spa suite offering a haven of serenity in a completely personalised setting that is unique to Hong Kong. Grey stone and dark timbers set the tone for guests to embark on a tranquil journey towards well-being and relaxation. Our therapists are committed to excellence, and products made by Decleor are used to ensure a quality experience. To the spa experience of our guests one step further, all our facial, body and reflexology come with a one-hour complimentary use of the spa suite, where guests, with complete privacy, can make full use of the amenities such as the Jacuzzi or steam bath. Guests are also encouraged to spend extended time in the suite or simply enjoy its amenities without taking any treatments at a nominal charge.

Catering to a maximum of two guests at any time, the private suite is equipped with the following amenities:-

- . DVD player, TV and *iPod* dock

- . Jacuzzi bath

- . Make-up area

- . Massage / treatment area

- . Reflexology area

- . Shower room with steam function

For women, a range of facial & eye treatments using products from Decleor will revitalise their complexion, while body treatments such as Aromatic Massage, Hot-Stone Massage, and Revitalising Body Buff & Wrap will leave their bodies relaxed and refreshed. For both men and women, a selection of unisex treatments such as Indian Head Massage, Foot & Back Massage and Reflexology can cater to their every need. Finally, try the Spa Privata Hand Ritual or Spa Privata Foot Ritual while relaxing in front of the TV with a friend.
